

## **15th City Council District**

**Joel Ray Rivera** (D)

Hello. My name is Joel R. Rivera and I am a candidate running for City Council in the 15th district located in the Bronx.

My life has been dedicated to being a Community Activist and Organizer.

I have been on the front line fighting for paid sick leave, raising the minimum wage, quality education, affordable housing, and healthcare.

The community needs a strong advocate who understands its dynamics and is willing to fight for a better tomorrow and I believe that I am that advocate.

One important issue facing the 15th district is affordable quality housing.

There are many proposed rent increases. These increases would force many tenants to move or potentially become homeless.

In such difficult economic times, the residents of the 15th council district can't afford these increases.

We need someone who has fought for the Bronx and will continue to fight for the Bronx in City Hall.

For too long the constituents of the 15th council district have been underserved.

I want to make sure that the residents have access to the same resources and quality of life as any other New York City resident.

My name is Joel R. Rivera and I'm the next City Councilman from the Bronx 15th District.
